NOTICE OF DENIAL OF MEDICAL ASSISTANCE

Dear Maria Santos,

This letter is to inform you that your application for MassHealth benefits, submitted on 07/28/2026, has been **denied**. This decision was made based on the information provided in your application and supporting documents.

Program applied for	MassHealth Standard
Application date	07/28/2026
Decision date	08/22/2026
Effective date of denial	08/22/2026
Reviewing office	MassHealth Enrollment Center — Central Processing Unit

Reason for denial:

Your household's countable monthly income of \$3,500.00 exceeds the income standard for MassHealth Standard for a household of 1 (133% of the Federal Poverty Level = \$1,732.00/month, 2026 guidelines). Based on 130 CMR 505.002 and 520.004, your case does not meet the financial eligibility requirement for this program.

What this means: You are not eligible for MassHealth Standard at this time. You may be eligible for other coverage options, including ConnectorCare or a Qualified Health Plan through the Massachusetts Health Connector, or MassHealth CommonHealth if you have a disability. Contact MassHealth Customer Service to discuss other programs you may qualify for.
